

Season 2012 Bigger, Better, Best!!!

Gents,

The time has come to emerge from the long summer into the preparations for Season 2012. The committee has been putting together all the preparations to make this year the best year ever!!! We are kicking off on SUNDAY 29th JANUARY, 5PM GILLESPIE FIELDS.

Preseason training & Trial Matches

Season 2012 launches on Sunday 29th January, 5pm at Gillespie Field (Bangalla rd Wahroonga) with a Kick around and a BBQ to get everyone back in the mood. From here we will then be running preseason training

on Sundays throughout Feburary @ Gillespie starting from 5pm. It will be during this time the coaching staff will be putting the contenders through their paces to select the squads (div 2 & 3) as well as eve-

ryone else trying not to pull a hammy (Div 6, O35, O45). In March the club will go into preseason trial mode with matches to hone our skills and formations before the season starts in April.

Wanted—New players!

The club as always will be looking for more players to enter the ranks for the upcoming season. If you know of anyone who is a good bloke they are welcome to come along to play

with us (footballing ability is not required however exceptional candidates can apply). The is no requirement for people who come along to join so if you know someone who you

would like to spend Saturday afternoons with bring them along for a kick and get them to see how good we are.

New Sponsor- Crows Nest Hotel

During the offseason the committee has found a new sponsor in the Crows Nest Hotel!!!! This is a major win for the club as Michael and the team have put together a tremendous package for us which is worth close to \$5000 to the club.

Attached is the sponsorship deal so you can check it out, however of note are: -\$10 meals all day every-day for all club members - \$5 sol Beers all day everyday for all club members -\$25 gift vouchers to be given our as MVP awards

for every squad every week. For this we will be asking everyone attends our functions at the Crowie throughout the season however given it is such a great venue I think getting you out of the pub for games may prove harder.

Knox United is pleased to announce our coaching staff for the season. It has been decided that this season will we be expanding the role of the "super

coach" from last season into acquiring a high level coach for division 2 for the entire season (training and games). This is a major shift in the Knox United

ethos as we are now looking to chase promotion for Div 2 in season 2012 and run a seriously competitive squad.
